5th January 2021

Dear Parents/Carers

I am pleased to inform you that school will be open for vulnerable pupils and children of key workers from tomorrow. I am sorry for any inconvenience that the closure today may have caused but I had notification yesterday evening of a serious fault with the heating system. We have now rectified this in enough areas of the school to open.

We will be supervising and supporting children with their remote education in school. To that end, the doors will open at 8.30am. Pupils should enter the school via the main walkway and entrance. Pupils should attend school in full school uniform. I can confirm that school dinners will be available as normal.

Thank you for your patience in this matter and we look forward to seeing your child tomorrow.

Yours sincerely

Mr D Randle
Headteacher
