

Dear Parent/Carer

If you are entitled to a Free School Meal and have reported to Hollingworth Academy that you are self-isolating due to Covid, you can request a grab bag from our catering service on a daily basis.

Due to food safety we are unable to provide a hot meal so pupils will get a choice from our daily sandwich bar, they have choices of a sandwich, dessert and drink. Please see form for choices.

To order your grab bag you must complete the form below on a daily basis for the proceeding day, for example, complete the order on a Monday for a pickup on the Tuesday. You can order your Monday grab bag by completing the order on a Friday, Saturday or Sunday. The school will prepare all orders fresh on the day and make them available for pickup from the school reception for 9:30 to 10:30.

On the order form you must nominate a person to pick the grab bag up, this cannot be anybody who is self-isolating themselves due to Covid.
