Dear Parent/Carer

Re: Non-Uniform Day – Friday 19th October 2018

On Friday 19th October Hollingworth will be holding a non-uniform day in order to raise awareness and money for two charities which we believe are of a great importance.

One of the charities is **Young Minds**, a mental health charity who work to prevent mental illness from developing in young people and to provide early intervention and care for young people living with mental health problems. They offer a range of services in order to support young people, their parents, schools and carers. Money raised will help fund their services and conduct more research in this area.

For more information please visit: <https://youngminds.org.uk/>

The second is **The House of One**, the worlds first multifaith place of worship (one building consisting of a Church, Mosque and Synagogue) being built in Berlin. This building will support interfaith dialogue and has been nominated as a pioneering peace project. Money raised will go towards their 'donate a brick' fundraiser to help build this incredible building. GCSE History and RE students will visit this site on their trip to Berlin this November, we plan for future visits in relation to our involvement with this development.

As always, the charge will be £1 per pupil if they choose to attend in non-uniform. This will be a voluntary event and it is not obligatory to participate. Those who wish to show their support to #youngminds are encouraged to wear an item of yellow clothing. Please ensure that your child, whilst not in uniform, is appropriately dressed for normal school activities. If your child is due to have a PE lesson, they must bring their PE kit in on this day.

'Non-uniform' can include jeans, but should not include cropped tops, short skirts/dresses, shorts, fancy dress, onesies, jewellery, face painting, hair colouring or other more extreme accessories.

Thank you for your support in this matter.

Yours sincerely

M Morrell (Mr)
Deputy Headteacher
