Dear Parent/Carer

I am writing to you to share the concerns we have about the number of cars parked on double yellow lines and on local land immediately around the school at the end of the day. This often prevents children from easily crossing what is a busy road, and blocking childrens' view of oncoming traffic.

Please can I ask that parents/carers consider collecting their children at an agreed location, a 5-10 minute walk away from school? This will disperse the traffic away at a time when over 1200 children are walking out of the building, and make the local area safer for all of our pupils.

Your cooperation would be greatly appreciated.

Yours faithfully

D Randle
